

Rubbermaid

FastTrack[®]

Garage Organisation System

Rubbermaid-Fast Track, Southern Africa Distributor

THE COMPLETE GARAGE ORGANISATION SYSTEM

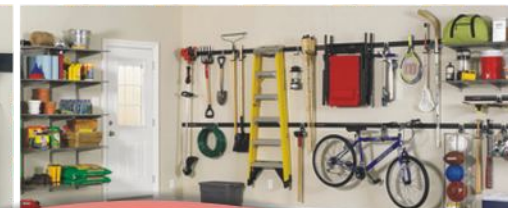

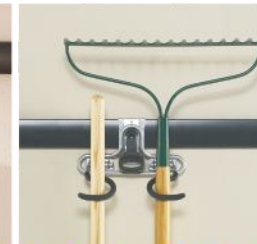

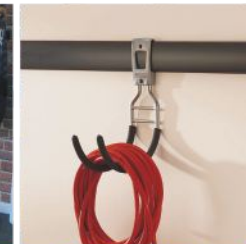

Rubbermaid FastTrack[®] is a complete garage organisation system that includes shelving, baskets, specialised hooks and accessories. Since the FastTrack[®] Steel rail provides infinite adjustability, you can easily add onto, shift and change your system as your needs evolve.

- Heavy duty construction
- Soft grip coating helps protect and hold items
- Steel and aluminium are treated to prevent chipping, cracking, rusting and oxidation
- Reposition accessories for endless flexibility
- Helps maximise floor space by creating storage space on the wall
- Each accessory holds up to 22kg, Each shelf holds up to 159kg, Each 1.20m rail holds up to 795kg
- Each 2.1m rail holds up to 910kg
